

Footrope arrangement from Boucher 1916 model of the Flying Cloud in the Boston Museum of Fine Arts. Footrope sizes from Biddlecombe 1925 *The Art of Rigging*. Footrope sizes for all masts unless noted.

Other details from J. L. Murphy & W. N. Jeffers *Spars and Rigging* from *Nautical Routine* 1849. Murphy notes that foot ropes on merchant vessels used hooks & thimbles to attach to the shoulder band (e.g., p 38) Murphy also notes in many places that hooks and thimbles were used for many other lines on merchant vessels. (see e.g., p 42)
