

Outline based on a drawing, possibly by Mary McKay (Donald McKay's second wife) in the late 1850s or early 1860s from information in her husband's files and on *Report on the Ship-Building Industry of the United States* by Henry Hall (1884), likely copied from the McKay drawing.

Bow & stern details from McLean's 1853 *Description of the Largest Ship in the World, The New Clipper Great Republic of Boston, Designed, Built and Owned by Donald McKay*

Center detail from Crothers 1956 book *American Built Clipper Ship - 1850-1956*

8' high x 16" thick

Scale 1/8" = 1'

10" at 1:96
